

PROF. NIEL,

government chemist, writes: I have carefully analyzed your "Royal Ruby Port Wine," bought by me in the open market, and certify that I found the same absolutely pure and well aged. This wine is especially recommended for its health-restoring and building up properties; it strengthens the weak and restores lost vitality; particularly adapted for convalescents, the aged, nursing mothers and those reduced and weakened by over-work and worry. Be sure you get "Royal Ruby"; \$1 per quart bottles, pints 60 cts. Sold by
